13 appeared with his attorney Haywood Gilliam.

14 At the May 21, 2008 status conference, the parties requested a continuance until July 23,
15 2008 at 1:00 p.m. Discovery has been on-going since the commencement of this case.
16 Discovery has included, among other things, wiretap materials, including audio calls and line
17 sheets from the wire interceptions, surveillance videos and photographs, and search warrant
18 materials. Counsel for the defense stated that they need additional time to review the discovery.
19 The parties agreed in open Court, with their attorney's concurrence, that the case should be
20 declared factually complex. Accordingly, the parties agreed, that the entire period from May 21,
21 2008 through and including July 23, 2008 should be excluded from the otherwise applicable
22 Speedy Trial Act computation, because the factual complexity renders it unreasonable to expect
23 adequate and effective preparation for pretrial proceedings and for the trial within the otherwise
24 applicable time limits set forth in the Speedy Trial Act.

25 Based upon the above-described representations and the parties' agreement in open
26 Court, the Court FINDS THAT the ends of justice served by granting a continuance from the
27 inception of this case through and including July 23, 2008 outweigh the best interest of the public
28

1 and the defendants in a speedy trial, and that the case is so factually complex, due to the number
2 of defendants and the nature of the prosecution, that it is unreasonable to expect effective and
3 adequate preparation for pretrial proceedings and for the trial within the otherwise applicable
4 time limits set forth in the Speedy Trial Act, within the meaning of 18 U.S.C. § 3161(h)(8)(A)
5 and (B)(ii) and (iv).

6 Accordingly, the Court ORDERS THAT:

7 1. This case is continued to July 23, 2008 at 1:00 p.m. for further status and for
8 possible setting of motions and trial dates.

9 2. The period from May 21, 2008 through and including July 23, 2008 is
10 excluded from the otherwise applicable Speedy Trial Act computation, pursuant to 18 U.S.C. §
11 3161(h)(8)(A) and (B)(ii) and (iv).
